Hearts of Thunder -- Maria Longley will probably need something on Hearts of Thunder project as a reminder.
Per email from Maria Longley and meeting discussion:

1) I think the book drive from Ms. Leinberger is wonderful, but might be too much for Hearts of Thunder this month. I'm trying to keep it super simple with teen clothes only, as that's all Threadz will take. It's also an easy way to get the players to think about "Kids Like Us" with teen stuff only.

But I do think that's a great idea for Cheer, who is looking for new service ideas! Also Moms Club. I'll pitch it to the Cheer Boosters at the Thursday meeting for the half-time show.

2) Details for the September project are attached, if you could share. This is a "bridge" project designed for families to do on their own, between our summer project and the October breast cancer awareness one.

The delivery times for Threadz are weekdays only, which is why I'm stressing that parents can leave things with me or team-up with other parents to deliver for them. I **really** want the boys involved! Get them to clean their closets, dust-off old shoes, grab some new socks or underwear at the store. Get them to think about what it might feel like not to have essentials for school every day, much less all the great Nike gear, accessories, etc. they have for football.

Also, we're keeping it to teen stuff so parents can be setting other items aside for the Curves garage sale next month. The owner Kim would like us to help again!

3) If you could, please share that our "surprise" for October is unfolding nicely but especially that the response from Mr. Thye was incredibly gracious and supportive! Would like everyone to know that. :0) I think we can go ahead and share the secret but stress that we'll try our best to keep it from the boys! Final approval from T.J. should come this week. Ms. Bethea anticipated no issues there. No conflict with Band as they're not marching that night. Meeting with Cheer/Dance takes place this Thursday to begin coordinating. We **really** need our football moms from all three squads to take part! Ms. Bethea and Mrs. Barela will join us!

MOMs Club -- Lonna Henderson and I are trying to find a date (probably the end of Sept) and a place to hold our next MOMs Club meeting. Which business needs our support most and has a room large enough for our group?
Book drive for a hospital - book drive with Dabney Leinberger
