

Pre-Participation Sports Physicals

Banner Sports Medicine
in partnership with
Tempe Union High School District

Preliminary assessments and physicals are required across Arizona for students to participate in athletics, yet not all families can afford them. We believe cost should never get in the way of a young athlete. That's why Banner Sports Medicine and the Tempe Union High School District have partnered to arrange for **NO COST SPORT PHYSICALS**.

Saturday, April 30th – 8:00am – 3:30 pm
Tempe High School – Gymnasium
1730 S. Mill Ave, Tempe, AZ 85281
