## DV Football Booster Meeting Minutes

Date: 12September2023

	<p><b>Off agenda discussion</b></p>	<p>Equity in distribution of resources to ALL levels. Concern that freshmen are not receiving the same benefits as varsity. Concern about equipment, protein bars, meals.</p> <p>Concern about equipment distribution with freshmen going last and not having enough equipment.</p>	<ul style="list-style-type: none"> <li>- Equipment is provided by the school. The boosters do not and are not able to supply safety equipment (helmet, pads, etc). Recommended feedback about equipment and shortages to be directly discussed with the school. Unfortunately, this seems to be a problem every year.</li> <li>- New equipment manager was recently appointed. Multiple transitions have created additional difficulties in equipment maintenance &amp; distribution</li> <li>- Protein bars - will clarify accessibility and timing of distribution to improve accessibility to all team levels.</li> <li>- It is important to attend booster meetings to be able to have discussions about concerns as well as receive information from varsity parents about their experience and expectations.</li> </ul>
<p>*</p>	<p><b>Senior Night</b></p>	<p>Sept 22nd? vs last game = Tukee Bowl Need coordinator ? flowers, balloons etc...</p>	<p>Senior Form <a href="#">here</a> Coordinator: <b>Still Needed</b> <b>*finalized date – Tukee Bowl, Nov 3</b> Proposal to have senior night be the same game as homecoming since the senior night events occur before the game starts however school has chosen Tukee bowl since it is the last game.</p>
<p>*</p>	<p><b>BBQ</b></p>	<p>Previously scheduled before the season start on 8/4 but canceled due to schedule conflict <i>? Reschedule vs alternative</i></p>	<p><b>BBQ canceled. Will reconsider for next year</b></p>
